Introduction

This Quick Start Guide provides the information necessary for Facility Viewers, Facility Points of Contact (POCs), and Corporate POCs to use the End-Stage Renal Disease Quality Incentive Program (ESRD QIP) User Interface (UI) in the ESRD Quality Reporting System (EQRS).

Background

The Centers for Medicare & Medicaid Services (CMS) established the ESRD QIP as part of Section 153(c) of The Medicare Improvements for Patients and Providers Act (MIPPA) of 2008. This legislation directs the Secretary of the Department of Health and Human Services (HHS) to establish quality incentives for facilities furnishing renal dialysis services. The law outlines certain requirements regarding the selection of measures and scoring, the identification of performance standards and performance periods, and the opportunity for facility review of scores and public reporting.

CMS administers the ESRD QIP to promote high-quality services by outpatient dialysis facilities treating patients with ESRD. The first of its kind in Medicare, this program changes the way CMS pays for the treatment of ESRD patients by linking a portion of payment directly to facilities' performance on quality care measures.

The ESRD QIP reduces payments to renal dialysis facilities that do not meet or exceed certain performance standards on applicable measures. This reduction applies to all payments for services performed by the facility receiving the reduction during the applicable Payment Year (PY).

The ESRD QIP scores facilities on their performance according to the measures established for the relevant PY. For clinical measures, CMS applies two scoring methods: achievement (comparing facility performance to a set of values derived from all facilities nationally) and improvement (comparing facility performance to the facility's individual performance during the prior year). For reporting measures, CMS assigns points based on whether a facility provided the required data.

For more information, access the ESRD QIP Measures Manual, Technical Specifications, and supporting documents via <https://qualitynet.org/esrd/esrdqip/measures>.

Register for a New HARP Account

Note: Only one Healthcare Quality Information System (HCQIS) Access Roles and Profile (HARP) account is needed to access EQRS. Users do not need to apply for a separate HARP account to access the Renal Management Information System (REMIS), CROWNWeb, and the ESRD QIP UI.

1. Open your web browser and go to <https://harp.qualitynet.org/register/profile-info>. The *Profile Information* screen displays.
2. Enter your Profile Information. The following fields are required:
 - a. First Name
 - b. Last Name
 - c. Date of Birth
 - d. Email Address
 - e. Home Address
 - f. City
 - g. State
 - h. ZIP Code
 - i. Social Security Number (SSN)
3. Click the **I agree to the terms and conditions** checkbox and then click **Next**. The *Account Information* screen displays.
4. Enter a valid User ID, Password, and complete the Challenge Question fields.
5. Click **Next**. The *Remote Proofing* screen displays.
6. Answer the Remote Proofing questions.
7. Click **I'm not a robot** and click **Next**. The *Confirmation* screen displays.

Note: Access HARP Training materials via <https://mycrownweb.org/harp-training/> for further details.

Request ESRD QIP UI Role

1. Open your web browser and go to <https://eqrs.cms.gov/globalapp/>. The *Sign into EQRS* screen displays.
2. Enter your HARP **username** and **password**.
3. Click the **Agree to our Terms & Conditions** checkbox and click **Sign In**. A two-factor authentication screen displays.
4. Click **Send code** or make the appropriate selections to receive a one-time security code.
5. Enter the **security code** and click **Verify**. The *Manage Access* screen displays.
6. Review the My Access section to see if QIP is listed as an approved application. If QIP is listed and no further actions are needed, review the access details and stop at this step. If QIP is not listed, proceed to the next step.
7. Click **Request access**. The *Organization Category* screen displays.
8. Select the **organization category**. The screen refreshes and displays a list of applications.
9. Select **QIP** and click the **Continue** button. The *Organization Role* screen.
10. Search for your **organization**, select the desired **role**, and click **Add**. The screen refreshes and displays the *Review selected roles* section.
11. Review the selected role and click **Submit request**. A *Submit role request* dialogue box displays.
12. Click **Yes, continue**. The system refreshes and display a message confirming that your role request has been successfully submitted.

Note: An organization's Security Official reviews and approves role requests.

Access the ESRD QIP UI

1. Open your web browser and go to <https://eqrs.cms.gov/globalapp/>. The *Sign into EQRS* screen displays.
2. Enter your HARP **username** and **password**.
3. Click the **Agree to our Terms & Conditions** checkbox and click **Sign In**. A two-factor authentication screen displays.
4. Click **Send Code** or make the appropriate selections to receive a one-time security code.
5. Enter the **security code** and click **Verify**. The *Manage Access* screen displays.
6. Click **QIP Scores** in the navigation menu. The *Scores and Feedback* screen displays.

Note: You may need to select “Change Organization” in the upper-right corner if you have access to multiple applications within EQRS, but QIP Scores is not displayed in the navigation menu.

Change Organizations

1. Open your web browser and go to <https://eqrs.cms.gov/globalapp/>. The *Sign into EQRS* screen displays.
2. Enter your HARP **username** and **password**.
3. Click the **Agree to our Terms & Conditions** checkbox and click **Sign In**. A two-factor authentication screen displays.
4. Click **Send code** or make the appropriate selections to receive a one-time security code.
5. Enter the **security code** and click **Verify**. The *Manage Access* screen displays.
6. Click **Change Organization**. A list with your current facility and an option to select an application display.
7. Click **QIP**. Select your organization, if needed. The system refreshes and displays QIP Scores in the navigation menu.

View Scores and Feedback as a Facility POC or Facility Viewer

1. Open your web browser and go to <https://eqrs.cms.gov/globalapp/>. The *Sign into EQRS* screen displays.
2. Enter your HARP **username** and **password**.
3. Click the **Agree to our Terms & Conditions** checkbox and click **Sign In**. A two-factor authentication screen displays.
4. Click **Send code** or make the appropriate selections to receive a one-time security code.
5. Enter the **security code** and click **Verify**. The *Manage Access* screen displays.
