New Feature: Transplant Center Waitlist Dashboard

Transplant Center Waitlist Dashboard

- On August 10, 2023, the Centers for Medicare & Medicaid Services (CMS) added a Transplant Center Waitlist Dashboard for transplant centers in the Dashboard section in the ESRD Quality Reporting System (EQRS).
- The Transplant Center Waitlist Dashboard contains the following:
 - All dialysis patients who are waitlisted with one or more transplant centers
 - Contact information for the dialysis facilities and transplant centers listed
 - Waitlist details and status
 - Other patient details

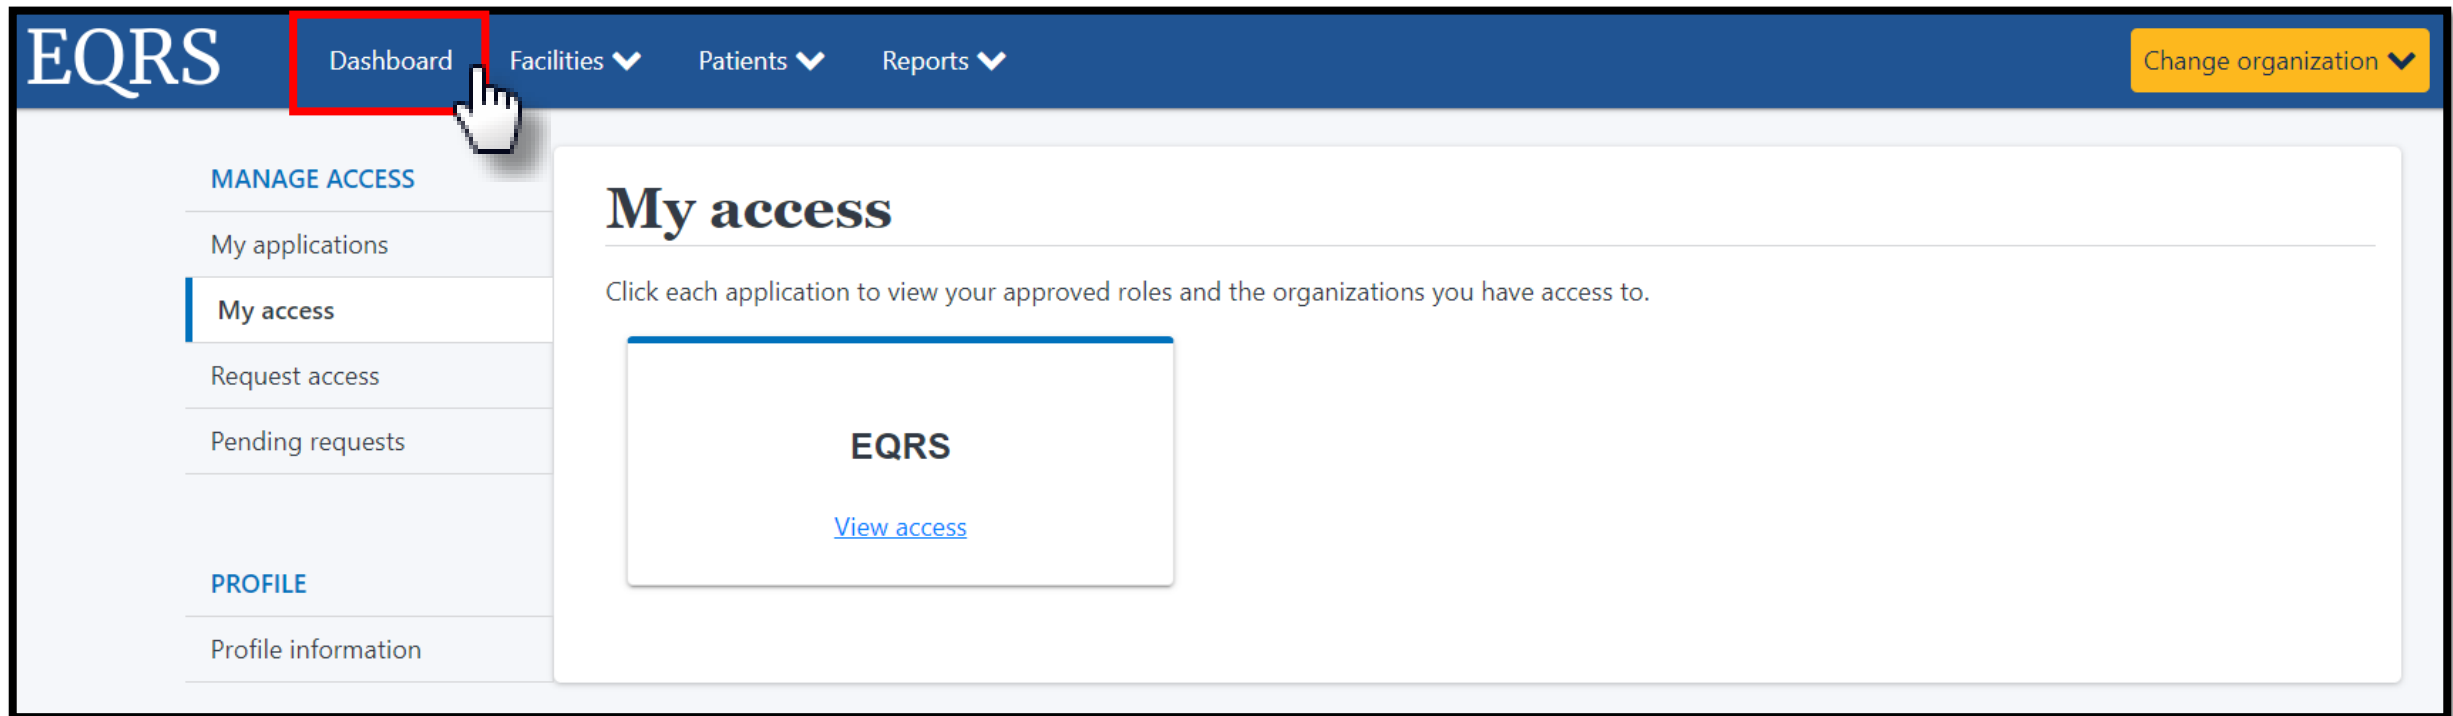

Transplant Center Waitlist Dashboard

Transplant centers can use the dashboard to:

- Track a patient's waitlist status.
- Communicate with dialysis facilities.
- Help patients maintain their active transplant waitlist status to successfully receive a kidney transplant.

Transplant Center Waitlist Dashboard

Click **Dashboard** in the navigation menu.

The screenshot displays the EQRS Transplant Center Waitlist Dashboard. The top navigation bar is dark blue and contains the EQRS logo on the left, followed by the 'Dashboard' menu item (highlighted with a red box and a mouse cursor), and dropdown menus for 'Facilities', 'Patients', and 'Reports'. On the far right of the navigation bar is a yellow button labeled 'Change organization' with a dropdown arrow. Below the navigation bar is a light blue sidebar with two main sections: 'MANAGE ACCESS' and 'PROFILE'. Under 'MANAGE ACCESS', there are links for 'My applications', 'My access' (which is highlighted with a blue bar), 'Request access', and 'Pending requests'. Under 'PROFILE', there is a link for 'Profile information'. The main content area of the dashboard is white and features the heading 'My access' in a large, bold font. Below the heading is a sub-heading 'EQRS' and a link 'View access'. A descriptive text line reads: 'Click each application to view your approved roles and the organizations you have access to.'

The screenshot displays the 'Transplant Waitlist' dashboard. At the top, it says 'Transplant Waitlist' and 'Transplant Center Records'. Below this is a 'FILTER BY' section, which is highlighted with a red border. This section includes four filter categories: 'Patient' (with a search box for 'Search patients (EQRS ID or name)'), 'Dialysis Facility' (with a search box for 'Search dialysis facility'), 'Setting' (with a dropdown menu for 'All Settings'), and 'Waitlist Status' (with a dropdown menu for 'All Statuses'). Below these are 'Patient Multi-listing Status' (with a dropdown for 'All Statuses') and 'Transplant Center' (with a search box for 'Search transplant center'). A 'Reset all' link is also present. Below the filter section, it shows '4 results' and a table header with columns: Patient, Waitlist Status, Waitlisted Date, Admission Date, Setting, Modality, Transplant Centers Patient is Multi-listed at (UNOS code), and Dialysis Facility.
